

Great-West's Health and Wellness Site

Health information whenever you need it

The screenshot shows the homepage of the Great-West's Health and Wellness Site. At the top, there is a navigation bar with links: Health Home, Personal Health Risk Assessment, Drugs, Conditions, Tests and Procedures, Community Support, Health Tools, and Health Features. The main content area features a large banner with the text "How Healthy is your life? Take the Personal Health Risk Assessment to find out." and a "Start now" button. Below this, there is a section titled "Welcome to your online centre for health information:" followed by a list of popular health tools: Symptom Checker, Baby Due Date Calculator, Ideal Weight Range Calculator, Diabetes Complication Tool, and Heart Disease Risk Calculator. There is also a section for "Most Popular Health Tools" with a list of articles: "Learn how to de-stress when you need it most.", "Packing healthy lunches", "Are you at risk of injury?", "Helping your body beat stress", "Gum disease", and "It's all in the timing". On the right side, there is a search bar, a "How healthy is your life?" banner, a "Helpful Links" section, a "Subscribe to Great-West's Free Health newsletter!" form, and a "Health Newsletter Archive" section.
